Good quality, Good profit!

ART1954@VNET.HU

Our company started continual development in 1954. Firstly our cotton candy machine made international success from Hungary. Since then our machines have been used in more than 20 countries. (Hungary, Austria, Italy, Poland , Germany, France, Ukraine, Mongolia, Sweden, Switzerland, Bulgaria, Romania, Slovakia, Kuwait, Croatia, Brazil, Maldiv islands, Dominican Republic, Israel, Africa, Amerika, Belgium, Australia).

Our activities consists of sweet and foodstuff machines. These machines are: scenery grills, popcorn machines, gyros grills, donut owens, wafer owens, hotdog machines, chicken grills, cake owens, mini-dough roll owens, corn bakers, dough raisers, candying machines, packing machines, etc. We also produce unique machines in these categories. Our individually produced machines are CEOC certified.

Our products are protected by patent rights.
